REPLY TO ATTN OF: NND

SUBJECT: Photograph of base of bullet in Warren Commission Exhibit 399.

Mr. Richard Bernabei
Queen's University
Department of Classics
Kingston, Ontario

In our letter to you of December 30, 1969, we stated that we had identified a photograph of the base of the bullet in Commission Exhibit 399 of which you had requested a print as a photograph which we had taken for Dr. John Nichols. We believed that it had been taken for Dr. Nichols because it was similar to photographs which we had taken for him. We think now that photograph was taken for Mr. Harold Weisberg. We regret this error.

Sincerely,

Mark G. Eckhoff
